L'AJCM, c'est quoi ?

Né d'un besoin grandissant de dialogue entre les jeunes méditerranéens d'une part, et entre ces jeunes et les décideurs publics d'autre part, l'Atelier des Jeunes Citoyens et Citoyennes de la Méditerranée est ouvert à tous les jeunes de 15 à 30 ans habitant autour de la Méditerranée.

Le but de ce projet est d'offrir un espace de dialogue et de concertation citoyenne à la jeunesse méditerranéenne autour des thèmes de l'écologie, de l'engagement citoyen, de l'économie circulaire, de l'éco-développement et de

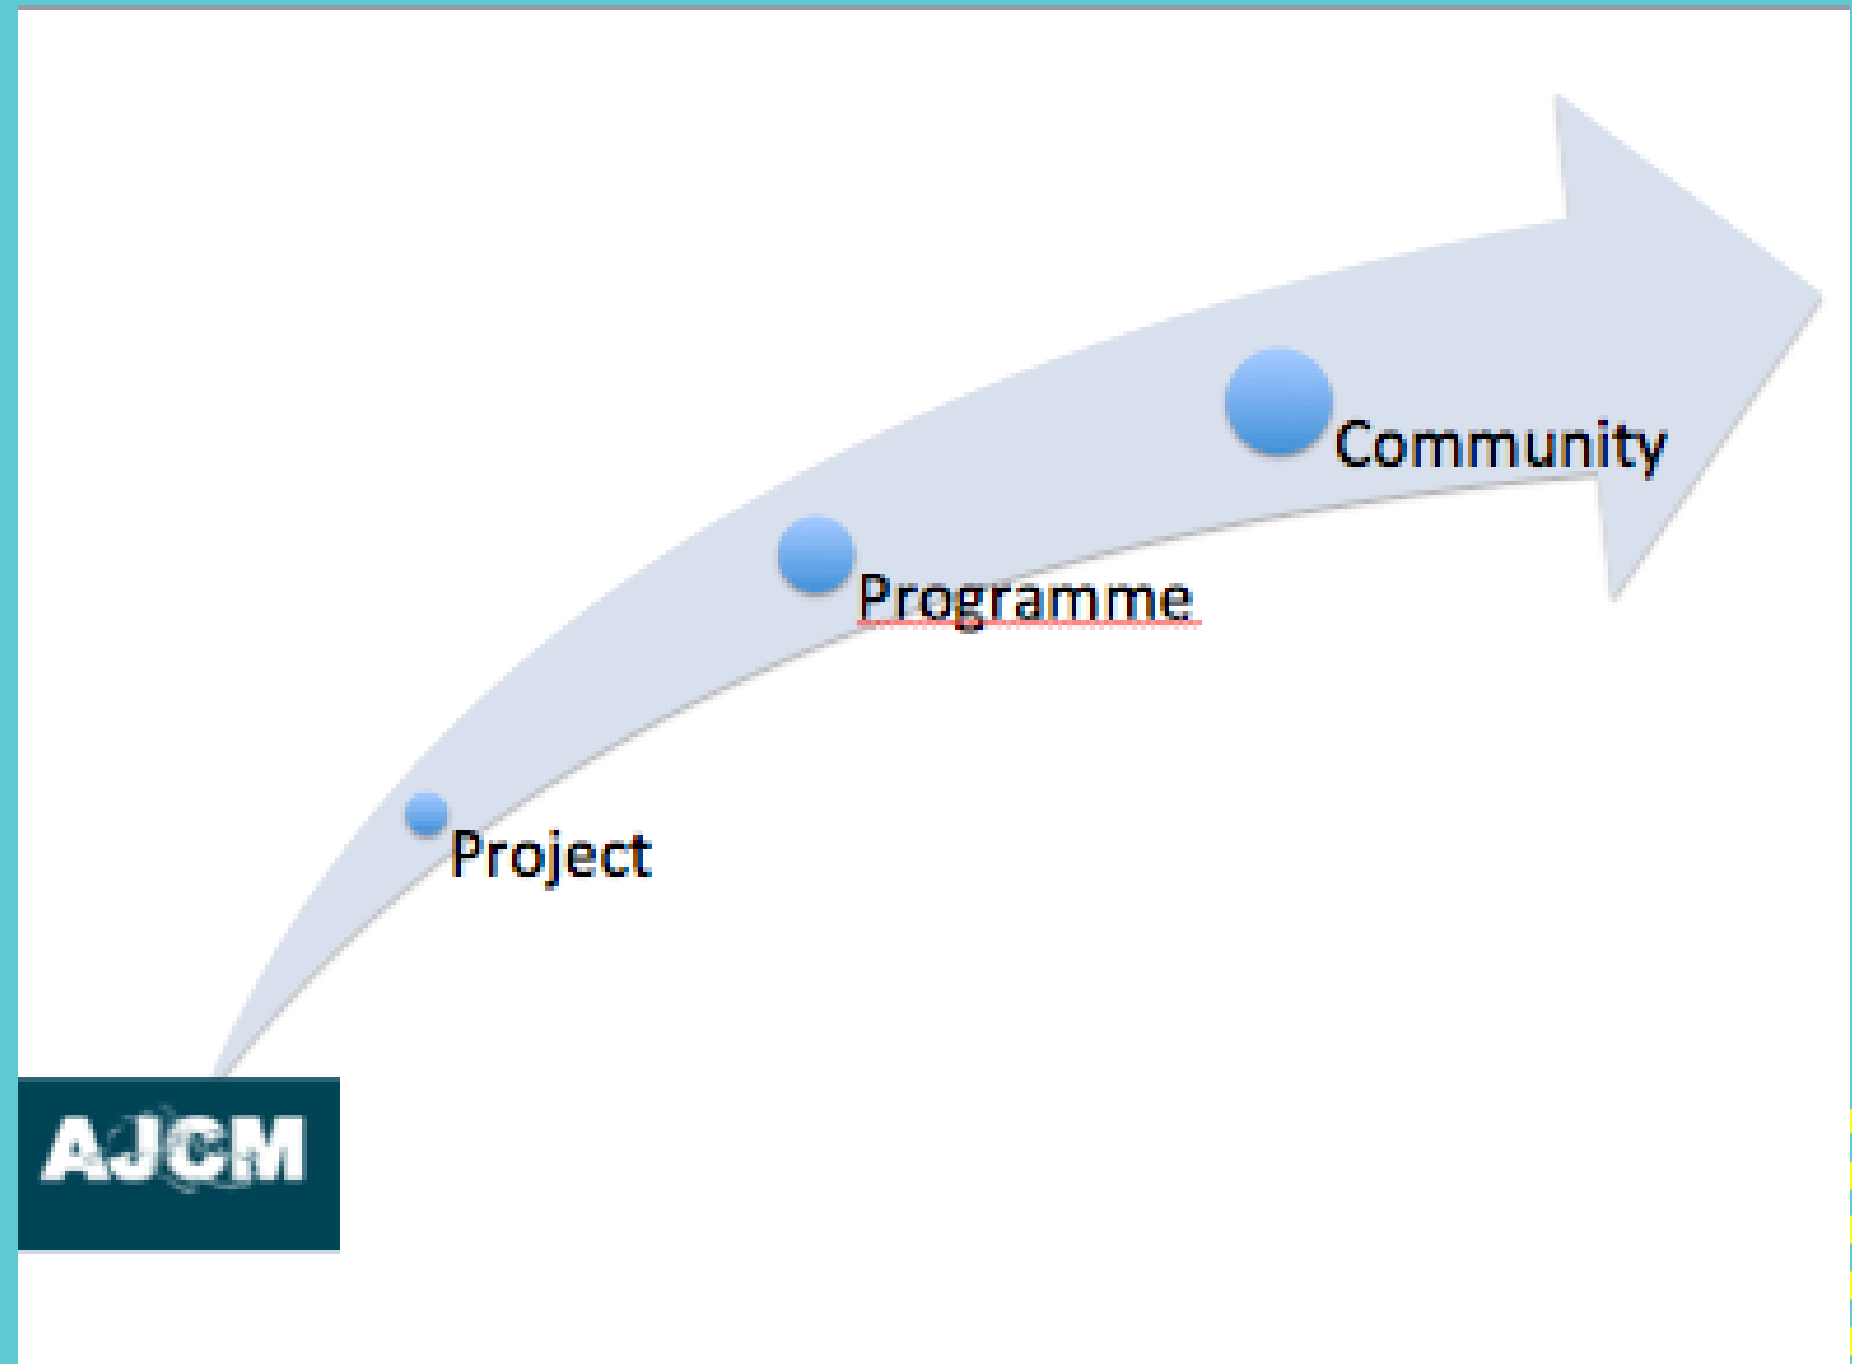

WHAT CHANGES WITH THE COVID SITUATION?
WHAT IMPACT ON OUR PROGRAMME, ON THE
IMPLICATION OF THE YOUNG PARTICIPANTS?

AJCOM

Impact on the program

Bigger and best use of the digital tools (discord, screaming session)
continuity of the activities proposed
new way to collaborate

Impact on the participant

- a window to the outside during the COVID
- involvement increasing
- creation of the “correspondant” figure (20 in 10 different countries)
- horizontal management of the AJCM
- creation of a safe space where to expose and speak about the situation of each one regarding the local contexts

In confined Spain, from international to local commitment

Maria Guevara Perea responded to the health crisis that disrupted the plans of

In Alexandria, Marwa and Manar are fighting for access to culture and for the environment

One of them works for the dissemination of the francophonie and for preservation

Narine and Ghazar at the service of non-formal education in Armenia

Few weeks after lockdown, life is still going on in Armenia. The environmental issue and the society's awareness

Souha, Assia and Kawter, three Algerian women committed to the environment

The Algerian youth didn't wait for the

GIULIA ET APOLLINE, FOR INTER-CULTURAL DIALOGUE

From Vicenza in northern Italy and Strasbourg in France, Giulia and Apolline

As a result we produced:

- Festival digital: 3 days of streaming session 10 hours a day
- Medtalks
- Awareness campaign about the situation of young people in the post-covid Med
